How do I obtain the activation key for my Wasp software?

Sicaro Burnett - 2023-01-19 - in FAQs

There are several ways to obtain an activation key for your Wasp program.

1. Follow the following link and enter the email address that was used when the software was registered.

<http://www.waspbarcode.com/Register/emailkeys.asp>

2. Click the Live Support ONLINE link to receive assistance by chat.

3. Give us a call to have a Wasp Customer Service agent assist over the phone.

866-547-9277

* The following may be requested to obtain the activation key:

- Software serial key
- Company name
- The registrar's name or email address
- Proof of purchase
