## Wasp Barcode Technologies U.S. Office holiday schedule

2016-12-22 - Internal User - 0 Comments - in General

Wasp Barcode Technologies in the U.S. will have limited tech support some days and will be closed some days through the 2016 holiday season. All times listed are Central US time

zone.

Friday, December 23: open 8 am-12 noon with very limited staff, for brief inquiries and

logging longer support requests to be addressed during days of fuller staffing.

Monday, December 26: closed.

Tuesday through Thursday, December 27-29: open 8am - 6pm with reduced staff.

Friday, December 30: open 8 am-12 noon with very limited staff, for brief inquiries and

logging longer support requests to be addressed during days of fuller staffing.

Monday, January 2: closed.

Tuesday, January 3: Resuming full staffing at regular hours, 8am-6pm Monday through

Friday.
