Cloud On-Premise: System requirements/compatibility addendum

=====

As of October 2022, AssetCloud On-Premise and InventoryCloud On-Premise can be installed on:

- Windows Server 2019
- Windows Server 2022

=====

Is Wasp's Cloud On-Premise software (AssetCloud & InventoryCloud) compatible/supported on Windows Server Core (no GUI)?

No, Cloud OP requires Windows Server with Desktop Experience.
