How do you program a postamble for the WPS100 or WPS150 scanner?

Internal User - 2017-04-10 - [WPS100/150 Omni](#)

To set a postamble on the Omni Directional scanner follow these steps:

Page 8-5 Scan Suffix

Page 6-18 Find the character Ascii value (enter key stroke is 1013 for example)

Page D-1 scan ascii value numbers on these pages (1013 for enter)

Page 8-9 Scan the Scan Options

Page 8-10 Scan <Data><Suffix>

Page 8-11 Scan Enter
