InventoryControl: Can it be configured to check for alerts multiple times per day?

Jason - 2017-04-10 - [Version 7](#)

When configuring the options for the Alert emails, there is a setting for Time To Check for Alerts. If you would like the system to check multiple times per day, you can enter several times separated by a space, comma, or semi-colon.

E.g., 6:00,13:00,20:00
