InventoryControl v7 - I need to clear pictures I added to the reports using the ImageStorage utility

If you have used the ImageStorage utility to add pictures to your Purchase Order or Pick Order print outs, download and extract this file on the server machine:

https://dl.waspbarcode.com/wasp/SupportFiles/ClearImageStorage.zip

There is a separate batch file for each of the 4 reports, ClearImage<report>.bat. Run the one for the report you need to clear the image from.
