QuickStore - Can I create a Packing List with QuickStore

Max Holden - 2017-04-10 - in Software

Please do the following to print a packing list:

In QuickStore:

- Enter your sale as usual
- After doing the sale and printing the invoice, go to:
 - . Lists/sales by date
 - . Click on your invoice to highlight ityou can now print a packing list for this invoice by selecting:
- . File/Print Packing List from the application main menu
