WaspTime v7: Scripts to create TimeUser and TimeReader SQL user accounts

Scott Leonard - 2019-01-16 - Version 7

Existing WaspTime database with data:

Scripts to create TimeUser and TimeReader if they're not there. This also will upgrade a v6 database to v7 if necessary.
Upgrade6toLatest.sql
WaspTime7.sql

New WaspTime database only: **Note: This will overwrite any existing data without warning.**

Scripts to run to create WaspTime v7 database, and create TimeUser and TimeReader if they're not there.
NewWaspTime6.sql
WaspTime7.sql
