### WaspTime Web: installation source

Scott Leonard - 2019-10-09 - in Version 7

WaspTime Web is included with the Professional and Enterprise editions of WaspTime v7. There is a separate disc for WaspTime Web, or a downloadable installer.

Here is a direct download link for the WaspTime v7 Web installer:

<http://dl.waspbarcode.com/wasp/wasptimeweb7.exe>

Here is a download for the Quickstart and Troubleshooting guides for WaspTime Web v7:

[http://dl.waspbarcode.com/kb/wt/v7/WaspTime\\_Web\\_Manuals.zip](http://dl.waspbarcode.com/kb/wt/v7/WaspTime_Web_Manuals.zip)

These files are also on the root of the WaspTime v7 Web installation disc:

Disc:\WaspTime\_Web\_Quick\_Start\_Guide.pdf

Disc:\WaspTime\_Web\_Troubleshooting\_Guide.pdf

WaspTime Web Help Files are on the WaspTime Web disc:  
disc:\WaspTimeWeb\Help\Welcome.htm

and on the installation PC:

64-bit Windows: C:\Program Files (x86)\Wasp Technologies\WaspTime  
Web\Help\Welcome.htm

32-bit Windows: C:\Program Files\Wasp Technologies\WaspTime Web\Help\Welcome.htm
