## WCS3900 - How do I stop my WCS3900 or WCS3905 scanner from pressing "Enter" after every scan?

Internal User - 2017-05-12 - in WCS3900/3905/3950

WCS3900 and WCS3905 scanners

In the user manual, page 13, scan the barcode that reads "None". This will set the terminator to nothing instead of carriage return (Enter).
