WDI4500: program the scanner to read red barcodes

Sicaro - 2023-01-20 - WDI4500
To program the WDI4500 scanner to read red barcodes follow these two steps:

1. Scan the Disable Decode Illumination barcode on section 4-4 of the WDI4500 User's Manual

2. Scan the Enable Mobile Phone /Display Mode barcode on section 2-18 of the WDI4500 User's Manual

The following document contains just the relevant pages from the manual:
