WDI4500: program the scanner to read red barcodes

Sicaro Burnett - 2023-01-20 - in WDI4500

To program the WDI4500 scanner to read red barcodes follow these two steps:

1. Scan the Disable Decode Illumination barcode on section 4-4 of the WDI4500 User's Manual
2. Scan the Enable Mobile Phone /Display Mode barcode on section 2-18 of the WDI4500 User's Manual

The following document contains just the relevant pages from the manual:

<https://dl.waspbarcode.com/kb/scanner/WDI4500-phone-mode-illumination.pdf>
