## **WPS200: not getting expected output from PDF417 barcode**

Scott Leonard - 2025-01-06 - [WPS200](#)

If a WPS200 omni scanner is not sending the expected output from a PDF417 barcode (e.g. not enough data, missing or wrong characters), set the Intercharacter Delay to 0 by scanning the barcode in this file:

<https://dl.waspbarcode.com/kb/scanner/wps200-intercharacterdelay.pdf>
